

14 January 2022

Dear Parent/Carer

Ofsted Inspection Visit – Monday 17-Friday 21 January 2022

We have been informed that inspectors from Ofsted will visit us next week for an inspection visit.

The visit is a great chance for us to show all of the fantastic things we do and for our students to demonstrate their hard work and progress. Please be assured that student timetables and learning will not be disrupted, but students may see inspectors around campus or visiting their classrooms.

Inspectors will be really keen to learn about the new knowledge and skills that our students have developed and their future ambitions. We have informed all of our students and asked for their support in a number of areas including behaviour and being prepared for lessons. All students are asked to:

- arrive on time for class;
- arrive prepared and ready to learn and work;
- bring examples of work that they are proud of;
- look after our campus by using litter bins provided and designated smoking areas;
- remember to wear lanyards and display ID badges at all times;
- follow any safety measures in place on campus.

Your Views

Ofsted would like to hear your views to help inspectors understand yours and your child's experiences of West Lancashire College. You can provide these by completing Ofsted's online [parent and carer questionnaire](#).

Please take the time to give your views. The questionnaire will close at **11am on Tuesday 18 January 2022**.

The survey will ask for your views in relation to our parent group NCG, please respond in relation to West Lancashire College.

Finally, this is a really important opportunity for our students to make a great impression and we appreciate your support in this.

Best wishes

West Lancashire College Principalship Team
