

CITB

CITB registered companies enrolling on Brickwork or Carpentry and Joinery apprenticeships can access further support in the form of apprenticeship grants.

There are two available grants:

Attendance Grant: £2,500 for each year your apprentice is in training. This is paid in instalments every 13 weeks.

Achievement Grant: £3,500 on successful completion of the apprenticeship.

CITB have also recognised that the recruitment and enrolment process can be difficult to navigate for smaller companies and this has led to the introduction of further support.

There is now have a dedicated new entrant employer support advisor, who can help you through the whole process, including:

- Help with setting up an Apprenticeship Account and support to access apprenticeship funding
- Support to register with CITB and applications for the apprenticeship grants
- Support with advertising and recruiting an apprentice
- Mentoring Training on request
- Staying connected to make sure they have the support they need to help an apprentice
