Welcome

A very warm welcome to West Lancashire College.

We deliver education and training to thousands of students and businesses each year, providing a wide range of courses to suit everyone.

We offer BTEC courses, Technical and Apprenticeship programmes plus, a range of brand-new T Level qualifications in Business, Digital, Education and Childcare, Engineering and Health.

As a successful and dynamic college serving the communities of West Lancashire and surrounding areas, we work hard to support you to achieve the qualifications you need to progress to your chosen career.

We have expert teachers and great connections with employers and universities to help you take the next step into your dream career, whether you progress straight into work after college or choose to study for a higher education qualification at university. As well as studying for your chosen qualification, during your time with us you will also have opportunity to participate in some fabulous trips and visits to International, European and UK destinations. This year, many of our students attended fully funded trips to Cyprus, Malta and Austria, and we hope that you will be able to benefit from this amazing opportunity too.

Our philosophy is simple - we put our students at the heart of all that we do, ensuring that you have the best possible learning experience during your time here.

In January 2022, we were graded 'Good' by Ofsted, and we are now well on our way with our journey to 'Outstanding'.

I am sure you will find a course to suit you at West Lancashire College, and we look forward to supporting you to achieve your future goals.

Best wishes
Gareth Sutton
Vice Principal

Choosing your course

We offer a wide range of academic and technical programmes that lead to university, employment or an Apprenticeship. Whatever your career ambition, you can find your next step here.

T Level Programmes

T Levels are two-year courses designed with businesses and combine college learning with a substantial industry placement. These qualifications are for students who want to develop knowledge and skills which help them get straight into employment, an Apprenticeship or higher education, and are equivalent to three A Levels.

Apprenticeships

Apprenticeships offer nationally recognised qualifications whilst gaining skills with an employer.

Learn on the job, building up knowledge and skills and earn money at the same time.

Vocational Courses

Our vocational courses include BTEC and NCFE CACHE qualifications.

A BTEC Level 3 Extended Diploma is equivalent to three A Levels A* - C. BTECs are nationally recognised, work related qualifications that give you the knowledge, understanding and skills that you will need to progress to University, an Apprenticeship or employment.

Technical Courses

Technical courses are industry-specific and offer training at a variety of levels. They provide knowledge and practical skills needed to progress into further study, skilled employment or Apprenticeships.

University Progression

Whether you study T Level, or a BTEC/CACHE NCFE Level 3, you can progress to university. Please see UCAS Tariff tables below:

UCAS Tariff Tables

Vocational (BTEC & T Levels)	Grade	Tariff points
Grade	D*D*D*	168
Grade	D*D*D	160
Grade	D*DD	152
Grade	DDD	144
Grade	DDM	128
Grade	DMM	112

Vocational CACHE	Grade	Tariff points
Grade	A*	168
Grade	A	144
Grade	B	120
Grade	C	96
Grade	D	72

Our Campus

Set in Skelmersdale town centre, our impressive campus features a light, open atrium area with high quality student facilities including; The Diner, The Hair & Beauty Lounge, Dance Studio, Hope Theatre, Art & Photography studios, Student Hub, Learner Zone, Sports Hall, Sports Physio Laboratory and Massage Clinics, The Works Restaurant, Specialised T Level Classrooms, purpose built Advanced Construction and Engineering Centre, plus our high-tech STEM Centre The School of Science.

Open Events

We are proud of our college and fabulous facilities, however the best way for you to find out more about life at West Lancashire College is to come along to one of our Open Events. These events are a great opportunity for you to speak to our expert tutors and also the employers and universities that we work with closely to ensure we help you meet your career aspirations.

Monday 14th October 2024 4.30pm-7pm

Thursday 21st November 2024 4.30pm-7pm

Monday 3rd February 2025 4.30pm-7pm

Thursday 1st May 2025 4.30pm-7pm

To register your place please go to **eventbrite.co.uk** or **westlancs.ac.uk** or scan the QR code below.

Learner Services, Fees, Finance & Support

Learner Services are based in The Learner Zone. The Learner Services team members are trained and qualified to support you and should be your first point of contact for any query you may have.

This could be about:

- Careers and progression advice
- CV preparation
- Applying to University
- Free College Meals
- Financial Support
- Bursaries
- Travel passes
- Financial support for kit costs
- Applying to college
- Wellbeing
- Information, advice and support
- Interviews
- Study Skills
- One to one study support

For further information please contact Learner Services on **01695 52393**
email: **ask-the-adviser@westlancs.ac.uk**

Many students benefit from extra support to help them with their studies. The additional learning support team can help you with any support needs you may have whilst in college. A range of support is available, including support for students with:

- Dyslexia
- Dyspraxia
- Asperger's Syndrome
- Physical Disabilities
- ADD/ADHD
- Hearing/Visual Impairment
- Mental Health Concerns
- Learning Difficulties
- Personal Care Needs
- Exam Support

ESOL support is available for students for whom English is not their main language. You will complete an initial assessment in Maths and English. This helps us to identify the right level of course for you. The assessment also identifies if you would benefit from extra support with English and/or Maths during your studies. Throughout your programme of study, you are encouraged to ask for additional assistance if you feel this would help you.

If you need advice on the range of facilities and equipment available, or if you have an EHC Plan, please contact the ALS Team on **01695 52300**.

Fully funded international trips for our students!

In 2024, we secured government funding through Turing to offer educational international trips to some of incredible destinations. Turing is the UK's global programme to study and work abroad, with the objective of levelling up across the UK, to develop student skills.

Our students have embarked on a number of trips of a lifetime. Health and Social Care, A Level and Medicine students visited Malta to carry out their industry placement in an international hospital. Education and Early Years students

visited sunny Cyprus to conduct industry placements in an international school, whilst our Digital, Construction, Engineering and Motor Vehicle had a phenomenal time in Vienna where they visited some of the world's leading car manufacturers.

For the 2024-2025 academic year, we have bid for further funding for our students to visit Germany, Spain, The Netherlands, Cyprus and Malta.

Travel to College

We offer a designated FREE* college coach service from the following locations:

Liverpool – Kirkby, Aintree, Maghull, Aughton, Ormskirk, Westhead, Old Skelmersdale

Southport – Formby, Birkdale, Southport, Scarisbrick, Burscough, Parbold, Newburgh, Ashurst

Wigan – Hawkley, Winstanley, Goose Green, Marus Bridge, Pemberton, Orrell, Upholland, Digmaor, Tanhouse

Please ask in Learner Services for further details: **01695 52393 / ask-the-adviser@westlancs.ac.uk**

**subject to eligibility and availability*

How to Apply

Choosing a career and a college can be a difficult decision but here at West Lancashire College, we want to ensure you are making the right choice for your future career.

STEP 1 Apply online **www.westlancs.ac.uk**

STEP 2 Attend an information, advice & guidance session in college

STEP 3 After you have finished your exams take some time to relax and enjoy your summer break - **you've earned it!**

STEP 4 In July you will be invited to attend a welcome to college event

STEP 5 You will receive an appointment to confirm your GCSE grades on GCSE Results Day in August

Parents & Carers

We always welcome support from parents/carers. We have an excellent advice and guidance team to take young people through all their options, focusing wholly on their needs and finding the best route to fulfil their potential and achieve their ambitions.

We value parents/carers support and want to work in partnership with you to maximise success on their course.

You can help us by:

- Encouraging students to be on time for class.
- Ensuring students attend all elements of their study programme including their main course, Maths and or English if appropriate, Tutorial, Work Experience or Industry placement and enrichment.
- Ensuring that we have your correct contact details.
- Attending the parents/carers evenings during the year – these give you the opportunity to meet staff and check on progress.

- Encouraging students to tell us about any concerns they have regarding their studies and life at college.
- Not taking students out of college for family holidays or non-essential medical or dental appointments during term time.
- Completing our Parent Survey to give us feedback on how we can improve.

We believe that working together with parents/carers is key to our students' success.

We welcome you to all the events and review meetings the college hosts and especially value your feedback and input on what more we can do to ensure your child achieves their full potential.

Courses to choose from

Apprenticeships

Being an Apprentice gives you the opportunity to gain a nationally recognised qualification while gaining skills with an employer. Apprenticeships are growing and many more young people and employers are recognising them as a great way to start a career.

As a West Lancashire College Apprentice you will:

- Learn on the job, building up knowledge and skills and earning money at the same time.
- Receive a salary, paid holidays and opportunities to progress your career.
- Be trained in the workplace by a company mentor.
- Be visited regularly in the workplace by one of our experienced trainers and assessors.
- Attend college for off the job training.
- Improve English & Maths skills.

We offer a range of Apprenticeships to choose from including:

Carpentry and Joinery Level 2 Apprenticeship

- Employment within the sector with a contract of employment for at least 30 hours per week
- 4 GCSEs Grade 3-9, including English and Maths
- Satisfactory completion of the college initial assessment

Carpentry and Joinery Level 3 Apprenticeship

- Employment within the sector with a contract of employment for at least 30 hours per week
- 4 GCSEs Grade 4-9, including English and Maths
- Satisfactory completion of the college initial assessment
- Level 2 Carpentry and Joinery Apprenticeship qualification or NVQ Wood Occupations

Installation Electrician and Maintenance Electrician Level 3 Apprenticeship

- Employment within the sector with a contract of employment for at least 30 hours per week
- 4 GCSEs Grade 4-9 or above, including English and Maths
- Satisfactory completion of the college initial assessment

Engineering Technician Level 3 Apprenticeship

- Employment within the sector with a contract of employment for at least 30 hours per week
- 4 GCSEs Grade 4-9, including English and Maths
- Satisfactory completion of the college initial assessment

Machinist Technician Level 3 Apprenticeship

- Employment within the sector with a contract of employment for at least 30 hours per week
- 4 GCSEs Grade 4-9, including English and Maths
- Satisfactory completion of the college initial assessment

Make steps to start your Apprenticeship

STEP 1	CHOOSE	We offer a range of different Apprenticeship Programmes. Look out for the Apprenticeship symbol in the subject area in this prospectus to identify all our Apprenticeship opportunities.
STEP 2	APPLY	Complete an application form either via our website or by contacting Admissions on 01695 52383 to register your interest for an Apprenticeships Programme at West Lancashire College.
STEP 3	EMPLOYED	You have a job with an employer.
	UNEMPLOYED	Find a job. All of our current Apprenticeships vacancies are available and can be applied for at www.apprenticeships.org.uk or at www.westlancs.ac.uk
STEP 4	EMPLOYED	Our Apprenticeship Team will work with you and your employer to organise your training.
	UNEMPLOYED	Attend one of our Get Ready for Apprenticeship sessions. Our Apprenticeship Team will work with you to secure an employer. Help is available with Job Search, Career Coach, Interview Techniques and CV Writing.
STEP 5	BEGIN	You have secured your employment and now your training will start. An assessor specialising in your chosen area will meet and assess you both on the job and in college and support you to work towards your qualifications. They will set you assignments, complete observations and guide you towards achieving your Apprenticeship.
STEP 6	FINISH	After you complete your training a high number of Apprentices will continue working with their employer as a permanent member of staff.

Art & Design

The Arts and Culture Sector in the UK has an annual turnover of £100 billion, and each year tourists to the UK spend £900 million on artistic and cultural products. Would-be artists from all over the globe come to the UK to study in our colleges and universities, knowing that the Arts education available here is amongst the best in the world.

OVERVIEW

Our courses provides you with the opportunity to pursue your career goal in a wide-range of Art & Design specialisms. The initial term will introduce you to working in professional art and design studios, this will include working in 2D, 3D and digitally with Apple Mac computers. You will also have the opportunity to work in a photographic darkroom and fully equipped studio. From that point forward we will tailor your course to match your career goal, enabling you to work with negotiated briefs which will develop your specialist art skills and prepare you for university study.

COURSES

Art and Design Level 2

4 GCSEs Grade 3-9, including English Language and/or Maths

Art & Design Extended Diploma Level 3

4 GCSEs Grade 4–9 including English Language and/or Maths

STUDENT PROFILE: JESSICA

Former: Shevington High School

Achieved: Art and Design Level 3

Progressed to: BA (Hons) Fine Art at Bolton University

“I chose this course as Art is my passion and I only truly realised that after my brief time at a previous education institute. Gary, the course tutor, seemed so welcoming when I spoke to him at an Open Event. I have enjoyed the freedom, compared to fine Art at A Level, I could fully express myself with my creative decisions. This course also explores the future with you, which is very helpful.”

SCAN ME

Foundation Learning

Foundation Learning offers a wide range of excellent, high-quality vocational experiences, specialist resources and accommodation, giving learners the opportunity to participate in variety of practical activities linked to their specific needs. Our classes are small, and our teachers are committed and experienced. You can be confident that learning takes place in a fun, creative and supportive environment.

WITHIN THE FACULTY WE OFFER A RANGE OF PROGRAMMES

Including:

Foundation Learning Programmes

For students who have learning difficulties or disabilities and are looking for a flexible curriculum that enhances learning experience and provides strong 'foundations' that will provide benefits for working life, independent living, or progression to other courses. The programme is fun and engaging and is packed with a variety of opportunities to meet new people and to learn new and exciting skills.

Foundation Learning (Aspire, Engage and Young ESOL)

These courses have been designed for 16-19 students to help you develop a wide range of knowledge, skills and behaviours.

Upon successful completion of this study programme, you can study on one of our Level 1 courses.

These courses are a fantastic opportunity for you to develop your confidence, communication and teamwork skills whilst gaining the knowledge, skills and behaviours to support you with your successful progression.

SUPPORTED INTERNSHIP

The Supported Internship Programme is a supported employment scheme for young people living or studying in Skelmersdale with additional needs and have an Educational Health Care Plan (EHCP). This course is designed to offer improved

chances in relation to the world of work. Students on the programme attend a substantial work placement for up to four days per week where they develop skills required by employers, plus one day at West Lancashire College where they study a preparation for work qualification and build upon their maths and English skills.

STUDENT EXPERIENCE

Trips and visits: Blackpool Pleasure Beach, Chester Zoo, Velocity, Hurlston Hall.

Employer and Community Links:

Secret Garden Glamping, Upholland Hub, Supported Work Placements, British Heart Foundation, West Lancs, Recycling, YPS, Nye Bevan, Park Pool, Parbold Equestrian Centre, Engine Rooms, Superdrug, Brookfield Park Primary, The Woodland Animal Sanctuary, Queens Courts Hospice, Pets at Home, Pemberton Pet Shop, Aughton Town Green Primary School (After School Club), Care Afloat, Tawd Valley, Birchwood Centre.

Guest Speakers: Choose Life (Ex-prisoners' drug related role-play talk), Fire Service – Bright Spark – Firework Safety, Barclays Bank (Money Skills Talk), Loudspeaker.

Volunteering: Duke of Edinburgh Award, Canal and River Trust, West Lancashire Rangers.

- Physical Training Instructor
- Royal Navy and RAF

Safeguarding

We are committed to safeguarding and ensuring all students experience a secure, safe and welcoming environment in which they can fulfil their potential. We are also committed to assisting students to develop the skills necessary to take responsibility for their own safety. Specific policies and procedures are in place to safeguard young people (students under 18 years of age) and vulnerable adults; these are robust and are reviewed regularly.

Procedures are in place to take all reasonable measures to ensure risk is minimised and appropriate action is taken to address welfare concerns of young people and vulnerable adults. Our college community includes young people aged 14 to 18 and vulnerable adults. For this reason and as part of our commitment to safeguard our students and provide a safe place to learn, we are asking all potential students to disclose if they have a violent or sexual conviction. You will be asked to complete a declaration at the point of enrolment. If you do have convictions you will not be automatically excluded from enrolling on a college course. Each case will be considered on its own merits. For further information please ask to speak to a member of the Safeguarding Team.

The Prevent Duty

West Lancashire College is committed to Prevent. The Prevent Duty forms part of the Counter Terrorism and Security Act 2015, and the strategy responds to the ideological challenge we face from terrorism and aspects of extremism, and the threat we face from those who promote these views. It provides practical help to prevent people from being drawn in to terrorism and ensure they are given appropriate advice and support. It covers all forms of terrorism, including far right extremism and some aspects of non-violent extremism.

If you have any concerns about radicalisation, terrorism or extremism, please ask to speak to one of the Safeguarding Team.

Equality

West Lancashire College welcomes diversity in its student population - valuing differences in race, gender, sexual orientation, disability, religion or belief, class and age. We actively oppose discrimination, aim to remove all conditions that put people at a disadvantage, strive to improve access and to provide outstanding support. We are committed to providing an inclusive learning environment. We have produced a NCG Equality Strategy which sets out our response to statutory obligations and our approach to the active promotion of equality and diversity. Please discuss your support needs with us and we will make every reasonable effort to make adjustments to help you succeed.

Respect

At West Lancashire College we emphasise the importance of respecting all other people, be they staff, students or visitors to the college and respecting their property and the facilities of the college, which exist for the benefit of all students.

Security

To ensure the security of our students we operate an identity card system where students, staff and official visitors wear lanyards and badges. We will do our best to support the various needs of all our students and to help you all to achieve your learning goals. If you are a disabled person, please ensure that we know what you need so that we can make all reasonable adjustments to help you succeed. Students are asked to help us create an environment where everyone feels safe and valued and where you can work successfully to achieve your full potential.

Disclaimer

Information and courses published in this guide is intended for guidance purposes only and does not constitute a contract.

West Lancashire College makes every effort to ensure that the information on courses given in this guide is up-to-date and accurate. However, the information may be subject to change and we do not guarantee its accuracy. NCG and West Lancashire College do not accept any liability for omissions, errors or changes.

We reserve the right to review or amend entry requirements for any of our courses.

On occasion, it is necessary to move or withdraw courses owing to a variety of reasons. The College cannot, therefore, guarantee the provision of all courses advertised in this guide. Where a course is removed or amended, the college will make every effort to transfer students to a suitable and available alternative course.

Where applicable, we follow the guidelines set by funding authorities. Fees are subject to status and may change at short notice due to circumstances beyond our control. The fees payable are those in force at the time of enrolment, which supersedes any that may previously have been advertised.

NCG Guarantee

West Lancashire College is proud to be part of NCG, one of the country's leading college groups.

We are one of seven colleges across the country that make up NCG, meaning we're a key part of providing education and training to learners, apprentices and employers across the UK.

Together, we share expertise, support each other to grow, help each other to innovate and accomplish real change for individuals, communities and economies across the country.

Student benefits

Students studying at any of our colleges benefit from the NCG Guarantee. This guarantee gives all our students access to a range of tools and initiatives centred around a core set of principles. Our courses, additional support services and enrichment activities will equip you with a wider set of skills, all of which aim to make you more employable.

Put simply, the NCG Guarantee gives students access to additional activities, resources and initiatives to help you achieve your ambitions and career goals.

The NCG Guarantee is centred around:

- Employability
- Community
- Enterprise
- Mental Fitness
- Digital.

Throughout your time with us you will be involved in a range of projects and initiatives focused on these principles. Coupled with excellent teaching and learning, you will complete your course with a unique set of skills which help set you up for your future.

For more information on courses, you can contact us by post, phone, or email and ask for further information on the courses that interest you. You can also access detailed course information sheets on our website **www.westlancs.ac.uk**
